Ken:

I just received this. We will need to edit the letter from EPA to WDNR & MKC (going through SO in LCD) in order to acknowledge we received copy of the final settlement from the State of WI. As far as I am aware, EPA was not provided an opportunity to review the document before it was finalized and I have yet to review the document. Thanks.

John,

For your information, the State of Wisconsin signed a settlement stipulation with Madison-Kipp Corporation last week to resolve our long-standing litigation. Today we learned that the Court signed the Order for Judgment yesterday approving the settlement. A copy of the stipulation and court order are attached for your files.
